

Energy Seal Coatings 10 Year Product Warranty

When applied to a suitable, proper draining, structurally sound, prepared surface in accordance with our specifications and instruction, Advanced Coating Systems, Inc. warrants the manufactured quality of its products as follows:

ENERGY SEAL ROOF COATING IS WARRANTED NOT TO FAIL DUE TO MANUFACTURERES DEFECTS, FOR A PERIOD OF (10) TEN YEARS FROM DATE OF APPLICATION.

No claims or adjustments under the quality warranty will be honored unless Advanced Coatings, Inc. is notified of the failure of the product in writing, and is given the opportunity to inspect said failure before repairs are made. Any repairs made with products other than our own will render this warranty void.

Any system failure due to acts of God, structural damage or use of said products in unsuitable weather conditions, or other conditions deemed to be beyond Advanced Coating Systems, Inc. control, including but not limited to biological damage, are excluded from this warranty.

Advanced Coatings, Inc. obligations under this warranty are limited to providing sufficient replacement product to repair any failure of product manufactured by Advanced Coatings, Inc. and do not include labor or other materials mentioned or bearing the cost thereof. Product replacement will be prorated.
